

Directions

Our home away from home may be far and the directions may seem complicated but all it takes are just 2 LEFTS! There will be signs along the way to guide you, too. Of course, there is always WAZE (search for "Mount Purro Nature Reserve / Camp Explore").

From Katipunan, Quezon City, it usually takes 1 to 1.25 hours to get to Mount Purro Nature Reserve. Please be advised that the only reliable telco providers in the area are SMART and SUN CELLULAR. If lost, you may contact 542 3005 or 0949 3981799.

Lets go!

1. Take **Marcos Highway**.
2. Keep going straight. Wave 'Hello' to **Sta. Lucia East Grand Mall** and **Robinsons Metro East** on the right side.
3. Upon reaching the **Masinag Market** (Sumulong Highway) intersection, just go STRAIGHT.
4. Eventually, you will see a green concrete pedestrian overpass. This is **Cogeo Junction**. Go STRAIGHT.
5. Just follow the road. You will see an arc that says you are entering the UPPER MARIKINA RIVER BASIN PROTECTED LANDSCAPE. Enter that arc!
6. Landmark to watch out for: Boso-Boso Highlands on the LEFT side. Marvel at the spectacular view of the Sierra Madre Mountain Range. Stopover for a photo op!
7. Just go STRAIGHT!
8. Important – 1st LEFT - Once you pass a bridge (19 KM after Masinag), begin to SLOW DOWN. You will take a LEFT in the NEXT CORNER (with Icarus Hardware). This corner is called **Kanto Veterans**. After turning, just follow the cemented road.
9. Important again – 2nd LEFT - About 4 kilometers from Kanto Veterans, when you see stores both sides, TURN LEFT to **Marcos S Garcia Road**.
