**Note!** In The Netherlands a plastic debit chip card (OV chip card is similar to an Oyster card) is used to travel on public transport. Buses do not accept cash, you can buy a bus ticket in the bus with credit card. Or you can purchase the OV chip card at the station travel office. More information: <https://www.ov-chipkaart.nl/everything-about-travelling/different-types-of-passenger/tourists.htm>  
Or buy your ticket online: <https://www.ns.nl/producten/en/onbeperkt-reizen/p/holland-travel-ticket>

A popular public transport planner in The Netherlands is 9292, please visit: [9292.nl/en](https://9292.nl/en) or download the 9292 app to your mobile device from Windows App Store, Google Play or Apple App Store.
